

## International Fees Payment Guide using the MyHull portal

To make a payment for a tuition deposit, tuition fees or accommodation fees you firstly need to log into the MyHull portal.

To pay a tuition deposit, select the My Applications tab.

Scroll down the page until you reach the deposit payment section and select 'Respond'.

**Tuition Fee deposit**

The University charges a tuition fee deposit for postgraduate entrants holding an offer, and assessed by the University as paying fees at the 'overseas' rate. The deposit is £2000 towards the tuition fee. The Student Visa CAS will only be issued once the deposit has been received in full.

Only one deposit is required. If you are liable to pay a deposit, and have applied for more than one course, pay the deposit against any of your chosen courses. This does not commit you to join any particular course.

If your studies are funded by a University approved financial sponsor, then we will waive your deposit requirement, upon receipt of appropriate evidence (a financial guarantee).

To pay your deposit, or to inform us of a sponsorship arrangement to waive your deposit requirement, please use the Respond button below.

Status	Payment method	Amount (£)	Action

Upon confirming the details, you will be presented with the information required to make the bank transfer using the CBN Form A process. Once Form A has been assessed by the CBN, they will use the 'Authorisation to Debit' form completed at the same time to send the funds in GBP to Flywire.

Once your funds reach Flywire, the payment is fully trackable and you will be able to see when the funds are delivered to the University. It is important to note that once funds are received they will show within the MyHull portal **2 working days later**. Please **do not** contact the Fee Collection Service until this time period has elapsed.

## **Can I get further help completing the Flywire payment?**

Yes. Flywire have live chat available 24/7 and in multiple languages to help students from all over the world. For help, visit <https://help.flywire.com/hc/en-us>. Live chat can be found by clicking  in the bottom-right corner of the page.

## **What happens if I need a refund?**

If your Visa was to be declined for any reason, firstly you should contact the PG Admissions office to request a refund. You can reach them on [pgadmissions@hull.ac.uk](mailto:pgadmissions@hull.ac.uk).

In the event a refund is authorised, funds will be returned via Flywire to the account used to make the original payment. Please do not ask for the funds to be transferred to any other account as this request will not be granted due to UK money laundering legislation. Like the original payment, the refund would be fully trackable using Flywire and can be back in your account within 5 working days.

## **Do the University accept payments for personal living costs?**

No. The University can only accept payments for tuition fees and on-campus accommodation. Any funds used for any other costs should not be sent to the University. If funds are received for any other purpose than those above, they would be returned to the original account via Flywire. Funds for personal costs should be sent to your UK account which can be opened shortly after your arrival in the country.

## **When do I need to make the payments?**

A minimum payment of 34% of your annual tuition fee should be paid in order to complete the online enrolment process. Your deposit payment will be used towards the 34% but any remaining amount should be paid using the above process before enrolment can be completed. Following your deposit payment, further payments can be completed when the online enrolment process opens around 1 month before your course starts. Please consider that payments by bank transfer can take time to process, so it is important that the payment process is started promptly to ensure your enrolment is not delayed.

Once the minimum payment is met, the remaining fees can be paid in the 4<sup>th</sup> and 7<sup>th</sup> month of your course (33% and 33% of the annual tuition fee respectively).
