

University of Hull Undergraduate Studentship Policy 2016-17 **First year entrants in 2016**

1. Background principles

This policy and procedural document aims to clarify the purpose, eligibility and conditions for undergraduate Studentship award available to new entrants at the University of Hull (the University) in 2016/17.

The *University of Hull Studentship* aims to provide financial support to entrants who come from backgrounds of low residual household income (RHI). This positions our Studentship as part of our commitment to fair access, in line with government direction.

A number of criteria make certain courses and individuals ineligible for these awards (see section 11 for further details).

The award of a *University of Hull Studentship* nullifies any *University of Hull Merit Scholarship* award which would otherwise have been made.

For the purposes of studentship eligibility and conditions, the University does not distinguish between clearing and adjustment applications and pre-clearing applications.

Users of this document are invited to refer any unaddressed issue to access@hull.ac.uk in writing.

2. Eligibility for an Award

To receive a *University of Hull Studentship*:

- Full and part time students must demonstrate a residual household income of less than £25,000 through assessment by Student Finance England. Please see Section 11 for further information.
- Students must have been assessed by the University as being required to pay tuition fees at the home student rate of £9,000 (part time pro rata). EU students who are required to pay fees at this £9,000 rate are eligible for consideration. International students (outside the EU) are ineligible.

The following groups of students are not eligible to be considered for a *University of Hull Studentship*:

- Foundation Degree students
- Students undertaking a Foundation Year. However students who have completed a University of Hull Foundation Year may be considered for an award if they subsequently enrol on an eligible undergraduate degree programme.
- Students who have previous experience of university study, including any level 4 course, or any part of a Foundation Degree or externally provided Foundation Year, regardless of level. This includes credits gained through Open University.
- Students from Scotland, Wales, Northern Ireland, Channel Islands or Isle of Man.
- Students who are fully or partially sponsored (see Appendix 1).
- Students entering courses funded by or supported through the NHS*.
- Postgraduate students.
- International students (outside the EU).
- Students who have not had their Residual Household Income (RHI) assessed by Student Finance England.

- Students on programmes where admission is not administered exclusively by the University of Hull.

*Social Work students are eligible to receive the *University of Hull Studentship* while they are not in receipt of an NHS Bursary.

The accompanying tables at section 11 show full eligibility criteria for the *University of Hull Studentship* and list those who would be ineligible.

3. Applications

University of Hull Studentships will be automatically awarded to eligible entrants providing students and their sponsors consent to share their financial information through Student Finance England. Section 11 provides further information.

Successful students will be notified as they are identified.

4. Continuation of Award

University of Hull Studentships provide financial support in the first year of entry only. However:

- Students will not receive any Studentship award for periods of study (e.g. repeated years) for which awards have already been made.
- Student withdrawal from study ends all Studentship awards (from the date of formal withdrawal).
- If an awardee intercalates they will remain eligible for the remainder of the award upon return to full time study, providing they continue to satisfy eligibility and progression criteria.
- Studentships are not payable during any period where the University tuition fee is reduced (e.g. a year abroad or a year's placement in industry).
- Transfer to an ordinary degree or other ineligible programme renders students ineligible for further payments.

5. Appeals

Any new entrant who believes (s)he has been unfairly excluded from an award (or part of it) has the right to appeal. Full details are included at Appendix 2.

6. Number of awards

Please refer to section 11.

7. Payment of Awards

The *University of Hull Studentship* provides any combination of the following options to the value of £2,100 to each Studentship awardee in 2016/17:

- Cash
- Accommodation discount
- Fee waiver

Please note:

- Fee waivers are logged on the individual student record at Student Finance England in the autumn of the academic year.
- Accommodation discounts can be applied to University of Hull owned or managed accommodation only.

University of Hull Studentships provide the potential for payments of cash:

- As a general principle no award will be paid prior to registration.
- Cash payments are made through Student Finance England, and staggered through the academic year directly into the awardee's bank account.
- Where a student has outstanding debts to the university any Studentship payment will be released only when these debts have been paid. Studentship payments can be used to reduce any debt to the university at the awardee's request.

Please note a Studentship award may be considered as income received for the purposes of any application to the University of Hull's Hardship Fund.

8. Publicity

The University will ensure that the Studentship scheme outlined above is publicised as widely as possible to potential applicants to the University. This will include via the University of Hull website (www.hull.ac.uk) and printed promotional materials. Publicity will include full conditions/eligibility criteria relating to the Studentship where possible, or links to these, and be updated by mid-September each year for the following September entry.

Relevant schemes may also be promoted by individual academic departments in their promotional literature and websites whilst ensuring content is appropriately referenced to the University website (www.hull.ac.uk) to ensure current information is always available.

All Access Agreements are published on the OFFA website (www.offa.org.uk).

9. Responsibilities

The University's Pro-Vice Chancellor (Engagement) has overall responsibility within the University for the implementation of this policy. The practical implementation of the policy is the responsibility of the Director of Student Recruitment, assisted by members of the Directorate.

Management of the various elements of the awarded Studentships, including the payment of any cash, resides with appropriate departments across the University.

10. Monitoring and Review of this Policy

This document refers explicitly to arrangements for Studentships awarded to those entering the University in 2016/17. The policy will be formally reviewed for 2017/18 entry.

Appendix 1: Sponsorship

Full or part sponsorship reduces fees payable by the individual student entering full honours degrees to less than £9,000 per annum and results in students becoming ineligible for the *University of Hull Studentship*.

The following examples illustrate this situation:

- **Corporate sponsorship** of an individual from an employing organisation, managed via a system of purchase order and invoice.
- Students entering ordinarily resident in Wales, Scotland and Northern Ireland who are required to personally pay reduced fees, the balance being covered by government/assembly funds (**Government sponsorship**).
- Where academic departments charge discounted fees (**University sponsorship**).

The following groups are excluded from the above definition of sponsorship:

- Students entering from a background of care who are assisted by their local council in line with the Children and Young Persons Act 2008 which requires local authorities to give a minimum bursary of £2,000 to care leavers starting a recognised higher education course in line with OFFA guidance. (**Corporate parenting**)
- Students entering from a background of care who are assisted with fees by local councils. (**Corporate parenting**)
- Self-financing students are also excluded from the definition of sponsorship.
