

GUIDANCE FOR PEOPLE SEEKING SANCTUARY

We want to make it as easy as possible for people seeking sanctuary to study at the University of Hull. We have gathered together the following information to help you explore the support that is available both on campus and in the city of Hull.

THINKING OF STUDYING AT UNIVERSITY?

There is a lot to consider when applying to University. Here you will find guidance on what to expect from the application process, as well as information on fees and sources of financial support.

GUIDE TO APPLYING

1. CHECK YOU ARE ALLOWED TO STUDY

Many people seeking sanctuary are allowed to study, and we would love to have you join us. Please check the [Frequently Asked Questions](#) published by Refugee Education UK to explore the higher education options available to you based on your immigration status.

If you have been granted immigration bail and the “no study” box on your BAIL 201 notice has been selected, you cannot study and you should seek legal advice. The Refugee Council offers [guidance on immigration bail](#).

2. RESEARCH YOUR COURSE OPTIONS

View our [undergraduate degrees](#) or our [postgraduate degrees](#).

3. APPLY FOR YOUR COURSE

Use our detailed information on [Applying to Hull](#) to guide you through the application process.

If you are based in Hull, you can visit a drop-in session at [Open Doors](#), where volunteers may be able to help you complete the application.

4. ACCEPT YOUR OFFER

Provide any relevant documents to us to meet the conditions detailed in your offer.

5. ORGANISE YOUR FINANCES

University courses in the UK are not free and you will need to pay tuition fees.

If you are a refugee or have humanitarian protection, you may qualify for [Student Finance](#) and may be able to borrow money to help pay tuition fees and living costs. These [videos](#) explain the various sources of finance available and the application process.

If you are not eligible for Student Finance, you may be able to apply for one of the University of Hull's [Sanctuary Scholarships](#) to cover fees and help with study costs.

If you have sought sanctuary in the UK and are now eligible for undergraduate student finance, but due to previous education undertaken outside of the UK are not able to take out the Tuition Fee Loan for all years of study then you may be eligible to apply for the University's [Undergraduate Refugee Scholarship](#).

6. ARRANGE YOUR ACCOMMODATION

You will also need to ensure you have accommodation in Hull. You can consider [University accommodation](#) or housing in the city. If you are a new, full-time, unaccompanied student, and you apply for accommodation by 1 September, you are guaranteed a room for your first year in accommodation that is owned, in partnership, managed or directed by the University.

WHAT FEES WILL I PAY? WHAT FINANCIAL SUPPORT IS AVAILABLE?

The fees you will need to pay and the funding available to you will depend on your immigration status. Please see the [Refugee Education UK guidance](#) to check the fee levels and funding options that will apply to you.

Students with refugee status or humanitarian protection are normally eligible to pay fees at the home rate.

New students at the University of Hull who are in the process of seeking asylum in the UK are eligible to receive a [Sanctuary Fee Reduction](#), paying fees equivalent to the home rate rather than international fees. Note that the fee reduction applies to students who registered on or after 1 September 2018 only – students registered at the University before September 2018 will continue to pay the fee rate current at the time of their registration. Students in the process of seeking asylum may also be eligible to apply for a University of Hull Sanctuary Scholarship (see below).

The University offers an [Undergraduate Refugee Scholarship](#) to support students who have sought sanctuary in the UK and are now eligible for undergraduate student finance, but due to previous education undertaken outside of the UK are not able to take out the Tuition Fee Loan for all years of study.

If you need any further advice please get in touch with us by emailing hefunding@hull.ac.uk or calling 01482 463002.

SANCTUARY SCHOLARSHIPS

The University of Hull offers up to three Sanctuary Scholarships per year. If you are ineligible for Student Finance because of your immigration status, then you may be eligible to apply for a University of Hull Sanctuary Scholarship. Please note that this is a competitive process and not all applications will be successful. [See if you are eligible and apply](#).
