WHAT HAPPENS ON THE DAY?

CEREMONY AT 2 PM

IMPORTANT INFORMATION

Eligibility to attend a graduation ceremony

This booklet is sent to all students who may be eligible to graduate in July 2017, but graduation is dependent on formal approval of your final results by means of an official pass list and examination board. Your final results and classification will be available on MyAdmin on Thursday 29 June 2017.

Attendance at your graduation ceremony

If you are unable to attend your graduation ceremony this summer, you have two options. You can either graduate in absentia (certificates will be posted to you after the ceremony) or you can defer once to a ceremony held in January 2018 in Hull. If you choose to defer to a later ceremony, you will receive your certificate at that ceremony unless you advise us that you require the certificate to be issued earlier.

IMPORTANT: Please indicate your attendance or alternative option on the reply form enclosed with this booklet and return it as soon as possible to Campus Connect in the Keith Donaldson Library. If you do not return your form, it will be assumed that you wish to graduate in absentia and your degree certificate will be mailed to you after the ceremony.

Dress code

The University of Hull operates a strict student dress code at graduation ceremonies. The appropriate academic robes (gown, hood and cap) must be worn, and these can be hired (or purchased) from the Graduate Gowning Company, the official authorised robemakers to the University.

This is a very special day for the University as well as for all our students and their families, and we ask that you dress smartly. Whilst there is no specific dress code for guests, graduands should follow these guidelines. Gentlemen should wear a smart suit, shirt and tie with smart shoes; ladies should wear either a smart suit or dress, or skirt or trousers with a shirt or blouse. Our international students may wear their national costume under their academic gown if they wish.

Please note that jeans, shorts, trainers or flip-flops should not be worn by graduating students. The steps up to and down from the Spa stage are quite steep – please make sure you wear shoes that are suitable!

Robe hire

You need to order the correct robes in advance of the ceremony directly from the Graduate Gowning Company (GGC). They are the official authorised robemakers to the University and provide the appropriate academic dress for our graduation ceremonies. We advise you to be cautious of using any unauthorised suppliers. We strongly advise you to contact GGC as soon as possible, and certainly no later than 25 June 2017. There is a guide to robes at the back of this booklet and contact details can be found on page 2.

To order, simply visit www.graduatgowning.co.uk. You will require your University of Hull student number and date of birth to log on. Your student number appears on the front of your University of Hull student card, eg 201400000 (NOT the number which appears at the bottom of the card below the barcode). If you are unsure of your student number please contact the Scarborough Graduation Team on 01723 357244.

Once logged on, you can check your credentials and enter some basic measurements to ensure the correct size is provided. There are just five simple steps to complete and a confirmation email will be sent to your preferred email address.

You need to collect your academic robes, hood and hat from the Sun Court Suite at the Spa on the day of the ceremony during the times indicated on page 5 of this booklet. When collecting your robes, you will need to produce your student card; you will also need this to collect your tickets. Robes should be returned to GGC in the Sun Court Suite by 5.30 pm.

Cost of graduation

The University of Hull is one of the few remaining institutions that do not charge either our students or their guests for graduation. Additionally for Scarborough Campus students attending the ceremony at the Spa in July 2017, there is an enhancement package comprising

- complementary academic dress (fee waived at the point of purchase online)
- voucher for the basic photography package with Tempest Photography (voucher included in your ticket pack)
- three complementary afternoon teas in the Ocean Room at the Spa, after the ceremony

- entry to a finalist event to be held at the Spa on the evening of 14 July – further details to follow

Outstanding debts to the University.

If you have an outstanding tuition fee debt then you will be contacted by Student Financial Services. Unfortunately, you will not be able to attend if the debt has not been cleared by 2 June. If you are not sure about your position then please contact Student Financial Services (contact details can be found on page 2).

Data protection

All students due to graduate should be aware that graduation is regarded as a public occasion. The names of all students including results will be listed in a souvenir graduation programme which is published for all University graduation ceremonies. Student names will also be listed on a 'Class of ... t-shirt' which lists the names of graduating students.

If you do not wish your details to appear in the printed programme or on the t-shirt, please make sure you have indicated this on your reply form.

Photographs

The University's authorised graduation photographers are Tempest Photography. We advise you to be cautious of any approaches from unauthorised photographers.

The University of Hull's official photographer may be at the event taking photographs and video footage of the celebrations for future publications. Any graduands or guests who do not wish their image to be used for such purposes should inform the photographer on the day.

The ceremonies are recorded and live-streamed across campus and on the internet. Graduands and guests seated in the hall should be aware that they may appear on this recording and that by participating in graduation, they consent to be party to these practices.

Ceremony presentation

You will be presented for your award by the dean of your faculty or school. As part of the proceedings the presiding officer may randomly shake hands with graduands. The University recognises that some students may not wish to shake hands with the presiding officer for religious or cultural reasons. Students who do not wish to shake hands are requested to put their right arm across their chest as they walk across the stage to indicate this information to the presiding officer.

Entry to the ceremony

Each graduand will be allocated a seat within the area reserved for graduating students. Guests will be provided with tickets and may sit where they wish as long as the seat is not marked reserved. Tickets will not be posted, you must collect your guest tickets and seat number from the student ticket desk in the foyer outside the Ocean Room at least an hour before the ceremony. Guests will only be admitted to the graduation ceremony on production of a valid guest ticket and should be seated in good time. You need to make your way to the Grand Hall and be in your allocated seat at least 30 minutes before the ceremony's start time, when you will be given important instructions relating to the ceremony prior to the start. Late arrivals will be taken into the Grand Hall by a steward and seated separately until such time as they can be slotted into place.

Guests

You will automatically be allocated three guest tickets in addition to your own ticket. If you would like to bring more than three guests, you can request a small number of extra tickets on the reply form enclosed with this booklet, and we will do our best to accommodate your request. You will be notified of any extra guest ticket allocation by email in June 2017.

Guest visa letters

If you would like to invite guests who require a visa to enter the country, the University can provide you with a letter of invitation which your guests can use to support their visa applications. The letter will formally invite you to the graduation ceremony. Each of your intended guests will need to submit a copy of this, plus a letter of invitation from yourself (i.e. a letter, written by you, inviting that person to accompany you to the ceremony), to the relevant authorities. You will also need to return the graduation reply form included with this booklet to let us know you will be attending the ceremony.

Two versions of the letter are available. If your result has already been formally approved, your letter will state that you have been 'officially invited' to the graduation ceremonies; or, if you are still awaiting your result, you will be supplied with a letter stating that you are 'expected to attend' the ceremonies.

If you would like to make a request for a letter, please download the Request University Letter form (DCform) by visiting www.hull.ac.uk/graduation, or email us at graduation@hull.ac.uk. It usually takes three to five working days for applications to be processed. Letters are usually posted to the address provided on the application form.

Children

Please be advised that, while we welcome younger family members, the graduation ceremony is a lengthy formal event and may be unsuitable for very young children. Children of five years and over should be supervised at all times and should have their own ticket. If you need to bring a pram or pushchair, please advise the Scarborough Graduation Team in advance as they may be able to reserve appropriate guest seats. Alternatively, details of creches and nurseries are available from the Family Information Service at www.northyorks.gov.uk or by calling +44 (0)845 601 1630.

Disabled students / guests

There is good disabled access at the Spa, and arrangements can be made for anyone attending the graduation ceremony, either as a graduand or as a guest, who may have special needs including those with mobility difficulties. Please provide full details in the appropriate section of the reply form included with this booklet, so that any special requirements are taken into consideration when tickets are allocated. Please note that disabled parking at the Spa is very limited. Parking spaces may be reserved in advance on a first-come, first-served basis, but we ask that alternative arrangements for parking are considered where possible.

Notification of final results

Your eligibility to attend a degree ceremony is dependent on formal confirmation of your results. Your assessment results and final degree classification will be released on Thursday 29 June 2017 via MyAdmin. A formal transcript of academic record will also be posted to your home address that day.

International students may provide an address label for addresses abroad, or may arrange to collect their transcripts prior to the ceremony. Please contact Scarborough Student Administration to make these arrangements.

Academic appeals

Any queries regarding your final results, including appeals, should be directed to your academic department. Finalist students who are in the process of making an appeal will still be able to attend the ceremony and receive their certificate or, if graduating in absentia, the certificate will be sent to you. However, if the appeal is successful and results in a subsequent change to the award, you will be notified through the appeals process and required to return the original certificate before a replacement is issued.

Certificates and registered names

Your degree/award certificate reflects the University's formal approval of your award, therefore it is important to check that your name was correctly and fully recorded when you last registered. If you are not sure if your name is correctly recorded, please check on MyAdmin before the examination period begins. Any change to your registered name must be notified to Scarborough Student Administration and appropriate evidence provided. Unfortunately it is not possible to change or amend names after the formal approval of your award or after the certificate has been issued.

Please note that the graduation reply form included with this booklet is used only to confirm whether or not you are attending the ceremony, your requirements for guest tickets and, if required, the address for future correspondence regarding graduation. We regret that we are

unable to amend your name based solely on changes made on the graduation reply form.

If you are a student from a country where names are shown in a different order from that normally accepted in the UK, we can ensure that your names are printed on your certificate in the order that is conventional in your home country. In order that requests can be processed in time you must indicate this on the reply form enclosed with this booklet or email graduation-scar@hull.ac.uk stating the order of names that you require. We require at least five weeks' notice to process this in time for your graduation.

Dispatch of certificates

If you are attending the ceremony, you will be presented with your degree certificate on the day. For those not attending, who are graduating in absentia, certificates will be posted to the address provided on your reply form in the week beginning 17 July 2017. Please note, if we receive no notification of an address for posting the certificate or you do not return your reply form, it will be posted to your last recorded home address.

International students may provide an address label for addresses abroad, or may arrange to collect their certificates after the ceremony. Please contact the Scarborough Graduation Team to make these arrangements.

Certified true copies of certificates

Please take care of your certificate as only one original is produced. If you lose your certificate or it is badly damaged, and you need a certified true copy, this currently costs £35.

To obtain a copy visit the online store (shop.hull.ac.uk) and select Certified True Copy Certificate with the postal delivery required either by standard delivery (including Royal Mail first-class postage in the UK and Royal Mail International signed for to the EU and overseas) or DHL courier for overseas addresses, at an additional cost.

Authenticated photocopies of certificates

If you require an authenticated photocopy of your original certificate, the current cost is £5 per copy. You will also need to send a photocopy/scan of your original certificate to graduation@hull.ac.uk (if requested after graduation). Alternatively, post to Registry Services, University of Hull, Hull, HU6 7RX. To purchase authenticated photocopies, visit the online store – shop.hull.ac.uk – and select Authenticated Photocopy/Scan of Certificate. If you are purchasing this product and require authenticated copies to be sent by DHL (international delivery only), please email graduation@hull.ac.uk

Transcripts or proof of study

If you have a query about your transcript or wish to order more copies, please contact Scarborough Student Administration or email studenthelp-scar@hull.ac.uk.

DIRECTORY

TRAVEL AND PARKING

This section provides information on travel and parking that you may find useful for your graduation day. Directions to the Scarborough campus can be found on the University website at www.hull.ac.uk/scarborough_directions.

Scarborough Spa

The best car parks for accessing the Spa are the South Bay underground car park and the Filey Road and Seamer Road car parks, which are centres for the Scarborough park and ride scheme. You will need to alight at Aquarium Top.

Limited parking is available on the South Cliff, close to the Spa. To use this, you would need to obtain a parking disc from one of the local shops or post offices or from the main University campus reception.

Disabled parking

A very limited number of disabled parking spaces are available outside the Spa. Please contact the Scarborough Graduation Team (+44 (0)1723 3572344 or graduation-scar@hull.ac.uk) in advance to enquire about these spaces.

Free parking

Alternatively, you are invited to make use of limited free car park facilities kindly being provided for use by Scarborough College, which is next to the Scarborough Campus on Filey Road. A special shuttle bus will be in operation from 8 am onwards to take visitors and students to the Spa Cliff Lift. Free lift passes will be available on the shuttle bus.
