

FOI Request dated 26/02/2024

Request Reference: 3092

Please can you tell me how many students at the university have taken their own lives over the past five years (from the start of 2019 to the end of 2023), breaking down the data by year?

Response

Without a coroner's verdict we would not be able to speculate on causes of death, therefore data not held.
