

FOI Request dated 05/04/2024

Request Reference: 3117

I am making this request under the Freedom of Information Act 2000. I am attempting to find anonymised data of students caught using AI in their assignments.

My questions in relation to your institute are as follows:

Please could we have the count of the number of students who received an academic penalty/warning due to the use of AI in assignments in the academic years 2024 - 2023, 2023 - 2022, 2022 - 2021 and 2021 - 2020 only?

The format of the data would just be a count of students for each of the above academic years.

Response

Please note that this data has been retrieved from FHS, FACE, FoHS and FBLP.

2020/21	12
2021/22	4
2022/23	165
2023/24	28 (4 ongoing)

Please note we had a significant increase 22/23 partly due to a spike in student numbers on one of our courses which had a very large cohort.
