Request –

(i) Does your institution collect data (for example, during enrolment or re-enrolment) on whether students are also parents (i.e. have significant parental responsibility to one or more children under 18)?

(ii) If the answer to (i) is yes, what proportion (% or numbers, including total numbers of each category) of the student population (broken down into categories of UG / PGT / PGR and also FT / PT) are currently student parents (preferably for the current academic year (23/24) or for the A/Y 22/23)? If only data on students with dependents is collected, please could you provide this data instead.

(iii) Your website states that your institution does not provide childcare facilities (although there is a private provider) at your institution. Could you confirm if this is the case and, if so, whether there have there been any

Response

1. No
2. N/A as per Q1
3. We have never provided any childcare as an institution.
