FOI Request dated 04/07/2025 –

*I am writing to request information under the Freedom of Information Act 2000. This request relates to graduate employment outcomes covering the last five academic years.*

*Please provide the following, broken down by subject area or degree programme where possible:*

- *The **total number of students who graduated** each year, for the past **five academic years** (e.g., 2018/19 to 2022/23).*
- *The number of those graduates who **secured employment** (either part-time or full-time, excluding those solely in further study) within 6 months and/or 12 months of graduating, as captured by any graduate outcome surveys or tracking, for each of the same years.*
- *If available, a breakdown of employment outcomes by **degree subject or department**.*
- *The **average or median salary** of graduates per subject area (or overall), if available.*

**Response**

Please note to align with HESA data rules, all numbers are rounded to the nearest 5, and subjects with <23 responses over the 5-year period are excluded.
