FOI Request dated 16/07/2025 –

*Under the Freedom of Information Act 2000, I would like to request the following information regarding your university's use of artificial intelligence (AI) detection tools in the context of academic integrity monitoring.*

- 1. Please name the AI-based detection tool(s) the university uses to identify potential use of generative AI in student submissions, e.g. TurnItIn.*
- 2. How many academic misconduct cases were initiated where AI detection tools were used as part of the evidence in the academic years 2022-23, 2023-24 and 2024-25?*
- 3. What was the status of these students - UK or international - and what was the outcome (no action, penalty or successful appeal)?*

**Response**

No information held as the University does not use AI detection tools.
