Welcome (back) to Hull

As Interim Vice-Chancellor of the University of Hull, I'm honoured to welcome you to your Applicant Day.

Today is all about you and your subject. You'll meet the brilliant academics who could be teaching you, get hands-on in lively taster sessions, and experience first-hand what it's like to study here day-to-day.

Founded in 1927, Hull is one of the oldest universities in England. We have a long-standing reputation for delivering life-changing research, excellent teaching and successful outcomes for our students. Recently, we were rated Gold in the Teaching Excellence Framework (TEF) – this is the highest possible rating for teaching quality and student success.

I hope you enjoy your day, get all the information you need to make the right choice for you, and experience all that our great University and city have to offer.

Professor Kevin Kerrigan
Interim Vice-Chancellor

After your Applicant Day... *What's next?*

■ We hope your visit gives you a great feel for what it's like to be a student here at Hull, and you'll have all your questions answered. But in case you're wondering, here's what happens next.

If you don't yet have an offer...

Some courses require us to interview you before we can give you an offer. If that's the case for you, we'll keep in touch while we consider your application and we'll get back to you as soon as possible.

If you have a conditional offer...

Received an offer from us? Congratulations! If it's conditional, you can still make us your firm choice and we'll confirm your place on Results Day once you meet certain entry requirements.

If you have an unconditional offer...

If your offer from us is unconditional, you can secure your place straight away by accepting our offer as your firm choice.

Firm choice

This is your way of saying which university or course is your preferred choice.

Insurance choice

This is your back-up choice. This could be in case you didn't meet the conditions of your firm choice.

How do I confirm my choice?

Remember to wait until you've had all your offers so you can make an informed choice. Then when you've decided, log in to your UCAS account and pick your firm and insurance choice. If you receive all your offers by 31 March, you'll need to do this by 6 May. If you receive all your offers by 13 May, you'll need to do this by 3 June.
