

APPLY FOR SANCTUARY MEMBERSHIP OF THE FRIENDS OF THWAITE GARDENS

We are delighted to be able to offer people seeking sanctuary the opportunity to volunteer as a member of the [Friends of Thwaite Gardens](#) to help maintain and develop the University of Hull Botanic Gardens in Cottingham. Thwaite Gardens have been owned by the University since 1948 and comprise glasshouses containing plants from around the world as well as a hectare of lawns, trees and themed borders.

Sanctuary membership of the Friends of Thwaite Gardens is free. As a volunteer, you will have the opportunity to get involved with gardening and project work. Having some general gardening or DIY knowledge is helpful, though volunteers are always happy to share their expertise with others. You will also be able to spend time enjoying the Gardens, perhaps taking a leisurely stroll in the tranquil surroundings, observing the changes as the seasons progress or learning about the Gardens' diverse plant specimens and wildlife habitats.

Friends of Thwaite Gardens volunteers normally meet on site on Tuesdays (1.00pm to 3.00pm) and Fridays (9.30am to 2.00pm).

Please complete the **application form** on page 3 below to apply for Sanctuary membership of the Friends of Thwaite Gardens. Please ensure that you have a **letter of support** from a recognised sanctuary support organisation (see overleaf) to include with your application.

Sanctuary membership is renewable annually, provided support from a relevant organisation is continuing.
