

# University of Hull Gillian Stead Bursary Policy 2020/21

## First year entrants in 2020/21

### Background principles

This policy and procedural document aims to clarify the purpose, eligibility and conditions for the University of Hull Gillian Stead Bursary available to new students registered at the University of Hull in 2020/21.

The award of a Gillian Stead Bursary nullifies any University of Hull Attainment or Merit Scholarship which would otherwise have been made. The Gillian Stead Bursary can however be held in conjunction with the University of Hull Studentship.

If you have any questions regarding this award please contact the University's Fair Access Office by emailing [hefunding@hull.ac.uk](mailto:hefunding@hull.ac.uk).

### 1. Summary of Award

The Gillian Stead Bursary is worth £2,100 per year for a maximum of three years and is awarded to UK/EU students who enter the first year of a BSc or MMath degree in Mathematics who have obtained 128 UCAS Tariff points from three A-Levels (excluding General Studies) including an A in A level maths or equivalent.

Students must achieve an average mark of 65 or above in each academic year in order to receive the Gillian Stead Bursary in the subsequent year.

### 2. Eligibility for an Award

To receive the Gillian Stead Bursary students must be entering the first year of a BSc or MMath degree in Mathematics having obtained 128 UCAS Tariff points from three A-Levels (excluding General Studies) including an A in A level Mathematics or equivalent.

The following groups of students are not eligible:

- Students transferring in from another institution
- Postgraduate students
- International students (from outside the EU)

UCAS Tariff points translate qualifications and grades into a numerical value. Many but not all Level 3 qualifications attract UCAS Tariff points. See [www.ucas.com](http://www.ucas.com) for more information.

### 3. Applications

The Gillian Stead Bursary will be automatically awarded and does not require an application or selection process if evidence of qualifications is in place.

Consideration for the Gillian Stead Bursary is automatically completed at the beginning of the academic year for those who have met or exceeded the eligibility criteria. Successful students will be notified as they are identified.

#### 4. Payment of Awards

Students may choose to receive their Gillian Stead Bursary in cash, as an accommodation discount (for University owned or managed accommodation only) or as a tuition fee waiver.

Students electing to receive cash payments will receive two equal instalments on the following dates:

29 October 2020

25 February 2021

In order to receive cash payments students must provide bank details via the MyHull portal when prompted.

Where a Gillian Stead Bursary is awarded after an instalment date has passed this instalment will be paid within ten working days of the date the award was made.

Where a student has outstanding debts to the University any payment will be released only when this debt has been paid. Bursary payments can be used to reduce any debt to the University at the student's request.

Please note a Scholarship award may be considered as income received for the purposes of any application to the University's Hardship Support Fund.

#### 5. Duration and Continuation of Award

The Gillian Stead Bursary is awarded for three years of study, providing successful progression to the next stage of study has been made with an average mark of 65 or above achieved in the previous year of study. Additionally:

- Students will not receive any award for periods of study (e.g. repeated years) for which awards have already been made
- The Gillian Stead Bursary is not payable during any period where the University tuition fee is reduced (e.g. a year abroad or a year's placement in industry)
- Transfer to an ordinary degree renders students ineligible for further payments
- Student withdrawal from study ends entitlement to the Gillian Stead Bursary from the date of formal withdrawal
- Students who have suspended their studies will remain eligible for the remainder of the award upon return to study, providing they continue to satisfy eligibility and progression criteria
- The Gillian Stead Bursary is payable for a maximum of three years

Any student providing the University with false information for the purpose of gaining funding they are not entitled to will render themselves unfitted for support. No further financial awards will be made, and any awards already held will be rescinded.

#### 6. Appeals

Any student who believes (s)he has been unfairly excluded from an award (or part of it) has the right to appeal. Appeals must be made during the relevant academic year. Awards cannot be backdated to previous years of study. For information on appealing see Appendix 1.

#### 7. Responsibilities

The University's Chief Operating Officer has overall responsibility within the University for the implementation of this policy.

Management of the various elements of the awarded Gillian Stead Bursary reside with appropriate departments across the University.

#### 8. Scope of this Policy

This document refers explicitly to arrangements for the Gillian Stead Bursary awarded to those entering the University in 2020/21.
