

The Gillian Stead Bursary Policy 2017-18 **First year entrants in 2017**

1. Background principles

This policy and procedural document aims to clarify the purpose, eligibility and conditions for the *Gillian Stead Bursary* available to new entrants at the University of Hull (the University) in 2017/18.

The *Gillian Stead Bursary* aims to provide financial support to UK/EU undergraduate students who enter the first year of a BSc or MMath degree in mathematics and who have obtained 128 UCAS Tariff points from three A-Levels (excluding General Studies) including an A in A level maths or equivalent*.

Further awards of £2,100 will be made to these students for each subsequent year of their undergraduate degree, subject to the achievement of an average mark of at least 65% at the end of the previous year of study.

A number of criteria make certain courses and individuals ineligible for these awards (see section 11 for further details).

The award of the *Gillian Stead Bursary* nullifies any *University of Hull Merit, Achievement or Excellence Scholarship* award which would otherwise have been made.

For the purposes of Bursary eligibility and conditions, the University does not distinguish between clearing and adjustment applications and pre-clearing applications.

Users of this document are invited to refer any unaddressed issue to access@hull.ac.uk in writing.

2. Eligibility for an Award

To receive the *Gillian Stead Bursary*:

- Undergraduate students must enter the first year of a BSc or MMath degree in Mathematics and have obtained 128 UCAS Tariff points from three A-Levels (excluding General Studies) including an A in A level Mathematics or equivalent*.
- Students must have been assessed by the University as being required to pay tuition fees at the home student rate of £9,250 (part time pro rata). EU students who are required to pay fees at this £9,250 rate are eligible for consideration. International students (outside the EU) are ineligible.

The following groups of students are not eligible to be considered for the *Gillian Stead Bursary*:

- Students not studying for a BSc or MMath degree in Mathematics.

The accompanying tables at section 11 show full eligibility criteria for the *Gillian Stead Bursary* and lists those who would be ineligible.

3. Applications

The *Gillian Stead Bursary* will be automatically awarded to eligible entrants who achieve the set criteria.

Successful students will be notified as they are identified.

4. Continuation of Award

The *Gillian Stead Bursary* provide financial support in the first year of entry. Further awards of £2,100 will be made to these students for each subsequent year of their undergraduate degree, subject to the achievement of an average mark of at least 65% at the end of the previous year of study.

However:

- Students will not receive the *Gillian Stead Bursary* for periods of study (e.g. repeated years) for which the award has already been made.
- Student withdrawal from study ends all *Gillian Stead Bursary* payments (from the date of formal withdrawal).
- If an awardee intercalates they will remain eligible for the remainder of the *Gillian Stead Bursary* upon their return to full time study, providing they continue to satisfy eligibility and progression criteria.
- The *Gillian Stead Bursary* is not payable during any period where the University tuition fee is reduced (e.g. a year abroad or a year's placement in industry).
- Transfer to an ordinary degree or other ineligible programme renders students ineligible for any further payments.

5. Appeals

Any new entrant who believes (s)he has been unfairly excluded from the *Gillian Stead Bursary* (or part of it) has the right to appeal. Full details are included at Appendix 2.

6. Number of awards

Please note the Gillian Stead Bursary may be considered as income received for the purposes of any application to the University of Hull’s Hardship Fund.

8. Publicity

The University will ensure that the *Gillian Stead Bursary* scheme outlined above is publicised as widely as possible to potential applicants to the University. This will include via the University of Hull website (www.hull.ac.uk) and printed promotional materials. Publicity will include full conditions/eligibility criteria relating to the *Gillian Stead Bursary* where possible, or links to these, and be updated by mid-September each year for the following September entry.

Relevant schemes may also be promoted by individual academic departments in their promotional literature and websites whilst ensuring content is appropriately referenced to the University website (www.hull.ac.uk) to ensure current information is always available.

Appendix 1: Sponsorship

Full or part sponsorship reduces fees payable by the individual student entering full honours degrees to less than £9,250 per annum and results in students becoming ineligible for the *Gillian Stead Bursary*

The following examples illustrate this situation:

- **Corporate sponsorship** of an individual from an employing organisation, managed via a system of purchase order and invoice.
- Students entering ordinarily resident in Wales, Scotland and Northern Ireland who are required to personally pay reduced fees, the balance being covered by government/assembly funds (**Government sponsorship**).
- Where academic departments charge discounted fees (**University sponsorship**).

The following groups are excluded from the above definition of sponsorship:

- Students entering from a background of care who are assisted by their local council in line with the Children and Young Persons Act 2008 which requires local authorities to give a minimum bursary of £2,000 to care leavers starting a recognised higher education course in line with OFFA guidance. (**Corporate parenting**)
- Students entering from a background of care who are assisted with fees by local councils. (**Corporate parenting**)
- Self-financing students are also excluded from the definition of sponsorship.
