## As Vice-Chancellor of the University of Hull, I'm honoured to welcome you to your Applicant Day.

Today is all about you and your subject. You'll meet the brilliant academics who could be teaching you, get hands-on in lively taster sessions, and experience first-hand what it's like to study here day-to-day.

Founded in 1927, Hull is one of the oldest universities in England. We have a long-standing reputation for delivering life-changing research, excellent teaching and successful outcomes for our students. Recently, we were rated Gold in the Teaching Excellence Framework (TEF) – this is the highest possible rating for teaching quality and student success.

I hope you enjoy your day, get all the information you need to make the right choice for you, and experience all that our great University and city have to offer.

**Professor Dave Petley**  
Vice-Chancellor

## Top reasons to *choose Hull*

**Study at a Gold-rated university in an affordable student city with opportunity around every corner.**

### **Our teaching is worth its weight in gold**

Hull is rated Gold by the Teaching Excellence Framework (TEF). The TEF is a national scheme run by the Office for Students (OfS) that aims to incentivise excellence in teaching, learning and student outcomes. Gold is the highest rating the TEF can award for the quality of teaching we offer our students, and the extent to which they succeed in and beyond their studies.

### **Guaranteed accommodation<sup>1</sup>**

Plus, all of your bills are included in the rent. So there's no sudden increase in costs during the year, giving you the chance to plan ahead.

### **One campus, everything you need**

Modern accommodation and sports centre, 7-storey library, bars and coffee shops, a mini-supermarket, even a nightclub: everything you need is right here on one single-site campus.

### **Most affordable city in the UK<sup>2</sup>**

Cheaper than Leeds, Manchester, Lincoln, London, and more. Whether it's a night out or a trip to the cinema, your student loan goes miles further here.

### **Our job is to get you ready for yours**

When you choose Hull, you choose a degree that works. Literally. Our courses are career-driven, with placements at the likes of BMW, Disney, Intel and BP, to name a few. So you gain the skills and experience employers look for while you study.

1. If you're a full time, unaccompanied first year student and you apply by 31 July in your year of study, we guarantee you a single-occupancy room in University-owned, managed or directed accommodation. Offer correct at time of going to print.

2. Finder.com Student living cost calculator. Correct as of August 2024.

## After your Applicant Day ... *What's next?*

**We hope your visit gives you a great feel for what it's like to be a student here at Hull, and you'll have all your questions answered. But in case you're wondering, here's what happens next.**

### **If you don't yet have an offer..**

Some courses require us to interview you before we can give you an offer. If that's the case for you, we'll keep in touch while we consider your application and we'll get back to you as soon as possible.

### **If you have a conditional offer...**

Received an offer from us? Congratulations! If it's conditional, you can still make us your firm choice and we'll confirm your place on Results Day once you meet certain entry requirements.

### **If you have an unconditional offer...**

If your offer from us is unconditional, you can secure your place straight away by accepting our offer as your firm choice.

### **Firm choice**

This is your way of saying which university or course is your preferred choice.

### **Insurance choice**

This is your back-up choice. This could be in case you don't meet the conditions of your firm choice.

### **How do I confirm my choice?**

Remember to wait until you've had all your offers so you can make an informed choice. Then when you've decided, log in to your UCAS account and pick your firm and insurance choice. If you receive all your offers by 14 May, you'll need to do this by 5 June.
