

A photograph of three students standing in front of a modern building with large windows. In the foreground, a man with a beard and a green hoodie under a black leather jacket looks at the camera. To his right, a woman with long blonde hair and a white fur coat looks off to the side. Behind them, another student in a grey beanie is partially visible. The image is framed by colorful abstract borders on the top, left, and bottom.

## As Vice-Chancellor of the University of Hull, I'm honoured to welcome you to our Open Day.

Our excellent teaching and exceptional student experience have been recognised with a Gold rating in the Teaching Excellence Framework (TEF), a national scheme run by the Office for Students (OFS). This is the highest rating the TEF can award and is a strong indicator of the extent to which our students succeed in and beyond their studies.

We're an inclusive, vibrant and welcoming University, founded on the quality of our research, and our brilliant community of staff and students.

You can hear more about what student life at Hull is all about in our Welcome Talks at 10.15am and 12.15pm.

I hope you enjoy your day, get all the information you need to make the right choice for you, and experience all that our great University and city have to offer.

**Professor Dave Petley**  
Vice-Chancellor
