As Vice-Chancellor of the University of Hull, I'm honoured to welcome you to our Open Day.

Our excellent teaching and exceptional student experience have been recognised with a Gold rating in the Teaching Excellence Framework (TEF), a national scheme run by the Office for Students (OFS). This is the highest rating the TEF can award and is a strong indicator of the extent to which our students succeed in and beyond their studies.

We're an inclusive, vibrant and welcoming University, founded on the quality of our research, and our brilliant community of staff and students.

You can hear more about what student life at Hull is all about in our Welcome Talks at 10.15am and 12.15pm.

I hope you enjoy your day, get all the information you need to make the right choice for you, and experience all that our great University and city have to offer.

Professor Dave Petley
Vice-Chancellor

Get registered

Head to an arrival point (map ref. **14** and **43**) to check-in when you get here. You'll be able to have a chat with our friendly staff about everything you should do to get the most out your day.

Welcome to Hull

Join our welcome talk in Middleton Hall (map ref. **43**), where you'll find out all you need to know about the University. You'll also hear from our students about their own experiences.

Get hands on with your subject

Make sure you head to your subject talk, where you'll be able to chat to our academics and current students about their interests and experience. You can also visit our subject stands for an informal chat at any time.

Take a tour

Explore our beautiful campus on a student-led tour (map ref. **38**), or see all that Hull has to offer on one of our city tours (map ref. **43**). There are loads of other tours happening throughout the day, too – see page 7 for details.

Top reasons to choose *Hull*

Change the world, or change *your* world? You're free to do both here. Choose a University with a proudly progressive history and up-to-the-minute facilities. Choose Gold-standard, research-led teaching. Choose a one-campus community and a famously friendly city. Choose Hull.

Unsame old story. Since 1927.

For nearly 100 years, we've been teaching people to think differently. A degree from Hull is both a hallmark of quality and a badge of honour.

Teaching worth its weight in Gold

We're rated Gold in the Teaching Excellence Framework (TEF) 2023: a national scheme run by the Office for Students (OfS). Gold is the highest ranking for excellence in teaching, learning and student outcomes.

Tired of bad news? Make some good.

Our research is helping build the world's largest wind farms. Helping more patients to beat cancer, more communities to prepare for rising flood risks, and more organisations to root out modern day slavery. Join us, and help make more good news.

Cross a universe in 10 minutes

Alongside our ivy-clad, red-brick buildings, you'll find a 7-storey library, sports centre and gym, modern accommodation, bars and cafés (including Wetherspoons and Costa), and support services. All on one campus, and all within a 10-minute walk of each other.

Explore the whole world in Hull

If you want to do and see everything, Hull's the place to study. You'll have access to a range of global opportunities, including summer schools, field trips, and volunteering. That way, you'll graduate with standout international experience on top of your degree.

Welcome to the University of the real world

It takes real-world experience to transform knowledge into competence. We'll help you build the skills you need – and employers demand – with industry placements and work opportunities. Another reason why Hull scores 95% for employability.¹

Life is richer when it costs less²

Fact: Hull is the most affordable city in the UK. Cheaper than Leeds, Lincoln, Manchester, Liverpool, Sheffield, Nottingham, London and more.

Guaranteed accommodation³

Plus, all of your bills are included in the rent. So there's no sudden increase in costs during the year, giving you the chance to plan ahead.

¹ UK domicile full-time first degree leavers; Higher Education Graduate Outcomes statistics, for the academic year 2021/22, published by the Higher Education Statistics Agency June 2024.

² All full-time, unaccompanied first-year students are guaranteed a single-person room in University-owned, managed or directed accommodation if you apply by 31 July of the year you want to study. Please note, there is no on-campus provision for families.
