What a good place to be

Hull’s like nowhere else. Yes, we’ve got big ticket attractions. But it’s the hidden gems waiting around every corner - they’re the reason students fall in love with our city. And here are some of their favourites...

The Avenues

Just a few minutes’ walk from campus, you’ll find our vibrant university quarter: the Avenues. A second home for our students and a popular place to live, it’s a lively, bohemian part of town, peppered with unique places and interesting people.

The Marina

A beautiful spot for a peaceful stroll, The Marina is also buzzing with life. Just a skipping stone’s throw away you’ll find the independent cafés, bars, restaurants, shops and art galleries of the Fruit Market.

Festival season

Every year, 30,000+ people come to watch 200 bands play at Humber Street Sesh. Pride in Hull is the region’s biggest LGBT+ festival. Then there’s Freedom Festival: a whole weekend dedicated to art, music and theatre.

Foodie Hull

Where’s good to eat? You’ve got big burger joints like Crafted and Dope Burger. A whole world of tastes at places like Thai House, The Greek and Marrakech. And then, the little hideaways: Zoo, Viet Memories, Secret Garden Café...

The BoardRoom

Board games and beer: what more do you need? The BoardRoom has hundreds of games to choose from - everything from old classics like Monopoly to an ever-growing list of new games.

Hull Fair

The sights, the smells, the lights, the food... For one week in October, one of Europe’s biggest travelling funfairs comes to Hull. You do not want to miss it.

The Deep

One of the UK’s biggest and best aquariums is right here in Hull, and it’s home to over 3,500 sea creatures including sharks, rays, and turtles. They have a colony of Gentoo penguins too. Plus, your ticket includes free return visits for a whole 12 months with their Day Plus Pass scheme. It’s a jaw-some day out!

So many gigs, so little time

The Adelphi club is legendary. Then there’s The Sesh at Polar Bear, jazz jams at Pave, and open mics at Speak Easy. Oh, and keep your ear to the ground for secret gigs from Sofar Sounds...

And we’ll help you find it.

We believe there’s a spark of extraordinary in everyone. But we also know that extraordinary doesn’t just happen. It takes your hard work and determination, our support and inspiration, and then you too can let it shine.

Extraordinary is happening right now. On fields and tracks, in lectures and laboratories. In boxing rings, workshops, studios and surgeries. On the next street, in the heart of our city, even next door. It’s in you. So what are you waiting for?

With us behind you, and opportunity ahead, you’re unstoppable. It’s time to find your extraordinary at the University of Hull.
The story so far...

28 January 2019. The day we officially became the exclusive University Partner of Team GB. Two years into our six-year partnership, and one pandemic later, we’ve helped staff, students and the local community go on to do extraordinary things. And there’s still so much more to come.

Max Whitlock MBE x University of Hull

“There will be times when you feel scared, you doubt yourself, and you face negativity. But you’ll learn to thrive off that. And as long as you’ve got the right people behind you, and you keeps looking straight ahead, you can achieve anything.”

Introducing a new ambassador for the University of Hull: Team GB double Olympic Champion, Max Whitlock MBE.

Tokyo 2020 Kitting-Out

Fifty Hull students were given a volunteering opportunity like no other as they helped some of our country’s greatest Olympians prepare for competition on the world stage.

Rose won gold

Rose Thorley, BA International Business student, won the Team GB Marketing Challenge 2021 with her Olympic-themed app, offering athletics advice, tips and hacks for all levels of skill.

Passing on the torch

An ongoing research project, One Team GB, sees students and academics explore the history of British Olympic champions of the past. Our aim is to inspire current Team GB athletes to achieve success by connecting them to their athletic heritage.

The future’s bright

To help prepare Team GB for training, living and performing in Tokyo, we created a bespoke 360° virtual environment for them ahead of the Games. The technology is now part of the Athlete Education Programme, and will help to train the Team GB athletes of the future.

Get-up-and-Ogogo

In June 2019, bronze-winning Olympian Anthony Ogogo came to campus to share all the setbacks he’s faced in life, and how he got back up and overcame them.

‘Get Set’ to inspire schools

The Get Set To Find Your Extraordinary programme aims to inspire young people to achieve their own extraordinary dreams.

Three new PhDs

The research projects will focus on three key themes: sustainability, social impact and athlete transition into retirement after competition.

Gearing up

Miranda Maimela, a Masters in Data Science student at Hull, played a key role in the build-up to Tokyo 2020. By analysing the individual needs of each Team GB athlete, she made sure they had the right kit to perform at their best.
