

**Request Ref: 2581**

FOI requested dated **05/03/2022** requested details of the following:

- *Please provide detail of how Unconditional offers are used as part of your offer-making process of the university. Please provide detail on the circumstances in which Unconditional offers are made to students, and how you would rank whether a student is eligible for an Unconditional offer, or Conditional offer. If you have an Unconditional offers procedure or assessment matrix, please include this as well, alongside any other information which addresses the scope of this question.*
- *Please provide, for the 2016/2017, 2017/2018, 2018/2019, 2019/2020, 2020/2021 and 2021/2022 academic years, how many Unconditional, Unconditional Firm, Conditional, Alternative Course and Unsuccessful communications were sent to students. Please also provide statistics for the current 2022/2023 admissions cycle, giving reference to the date the information was correct at.*
- *Please provide the number of times the University was selected as a Firm choice and Insurance choice for the 2016/2017, 2017/2018, 2018/2019, 2019/2020, 2020/2021 and 2021/2022 academic years. If available, please also state the number of times it has been selected as a Firm choice and Insurance choice to date for the 2022/2023 admissions cycle.*

Q1 - For applicants that are either care experienced, first in family HE attender or have a postcode that is listed as POLAR quintile 1/2 for participating programmes (all programmes requiring 120 – 112 points that are not professional statutory or regulatory body programmes such as healthcare professions) and are predicted within 24 points of the advertised requirements will receive an offer and are eligible for an unconditional offer if initial offer is accepted as firm or insurance. For applicants that are **not** in the widening participation criteria listed above, if they are predicted within 24 points of entry requirements they are eligible for an unconditional offer if their initial offer is accepted as firm or insurance. Please note that some programmes have subject-specific requirements that need to be met before unconditional offers are issued. Individual conditions may also apply before an unconditional offer is applied.
