Response

Could you tell me when your Confucius Institute stopped being funded by the Chinese Ministry of Education and the total sums to date received from this source? – Since 2017 we have had a CI in Partnership with Tianjin Normal University. Funds come from TNU and their funds from the Chinese Ministry of Education. Total sum to date - £388,803.79.

I would be most grateful if you could give me a breakdown showing the total number of donations to the Confucius Institute and your wider university as a whole from the Chinese Ministry of Education since 2010. – None therefore no information held.
