

Request Ref: 2721

FOI Request dated **22/09/2022** as follows -

For the calendar years 2017, 2018, 2019, 2020, 2021 and 2022, I would like to be provided with details on accepted donations, gifts, grants, sponsorships, scholarships and funding (including research funding and teaching funding, as well as funding for university staff and professorships) that have come from mining companies. For each, I would like the following information:

- *The name of the mining company that gave the donation, gift, grant, sponsorship, scholarship or funding*
- *The start and end date of the donation, gift, grant, sponsorship, scholarship or funding if available*
- *The sum and description of the accepted donation, gift, grant, sponsorship, scholarship and funding*
- *A description of what the donation, gift, grant, sponsorship, scholarship and funding was used for*

If your records are held in such a way where it is difficult to search by sector (e.g. mining), then I am happy to narrow the request to the following companies:

- *BHP / BHP Billiton*
- *Rio Tinto*
- *Anglo American*
- *Glencore*

Response

We have searched for the four companies (it is not possible to do the “mining” search) and we have received no funding from any of them in the years specified.
