Definitions

- *A student is someone studying either part time or full time at any level with the provider.*
- *A member of staff is someone working either full time or part time for the provider.*
- *A disability is a physical or mental impairment that has a substantial and long-term negative effect on the person's ability to do normal daily activities. Disabled staff and students are those whom the provider has identified as having a disability. They do not necessarily have to be diagnosed with a physical or mental impairment (for example those who are in the process of being diagnosed with an impairment).*
