FOI Request dated **17/10/2022** as follows –

- *In the last ten years, how many young people from low socioeconomic backgrounds have attended your university?*
- *Of that cohort, how many graduated?*

**Response**

As the data is taken from the 2010-11 to 2020-21 academic years, the last three years of new entrants i.e. 2018-19, 2019-20 and 2020-21, contributing to the first part of the question (total number of low SEC students studying at your institution) will not have studied long enough yet to achieve graduation.

<b>Academic years</b>	<b>Count of Low SEC Young first-degree entrants</b>	<b>Count of those entrants who have graduated as of 2020-21 session</b>
<b>2010-11 to 2020-21</b>	<b>11,185</b>	<b>6294</b>
